

Table of persons of interest.

Project: X		Filled by: Student name		Date:xx-xx-xx
Person of interest	What does the person get for helping?	What can annoy the person with the project (Bad things)	Will the person want to take part in the project	How will we deal with the person (Feelings, logic, ect.)
EU citizens	Less unemployment	It might cost lots of money	Yes	With facts and videos
The kitchen staff	Good communication	They have to work more	If we inform them in due time, no problem	By being very nice to them

Why?

- It's a good way to make sure the project is attractive to the persons of interest.
- It identifies the persons of resources.
- It identifies possible threatening persons.

How?

- Identify your persons of interest
- Find out why their persons of interest'
- Find out if and why they should be interested in the project.
